

An Invitation to the

“SEMINAR ON SERVICES LIBERALIZATION & GLOBAL ECONOMIC SLOWDOWN”

(18th June 2009, Thursday : Crystal Crown Hotel Petaling Jaya, Selangor)

The contribution of the services sector to Selangor GDP in 2008 is 38 per cent, as second major contributor after manufacturing sector. Based on that, the Selangor government sees the services sectors as potential major contributors to the state's economy and plans to focus on this sector. This is in line under Third Industrial Master Plan (IMP3), 2006-2020, the non-government services sector is targeted to assume a major role in contributing to economic growth. A list of industry has been identified to be promoted and positioning Selangor to become a profitable centre for services industries.

OBJECTIVES :

The objectives of the seminar is to brief on the shifting paradigm of globalization, liberalization, deregulation and the current mood for more regulations and controls especially the financial/ Wall- street sector which could slide into protectionism and such global trends will have strong impact on our economy
